Part of the Heath Family Trust (NW)

Head of School

Required for September 2023 – L14 – L18

Full Time/Permanent

Halsnead School has been on a transformational journey of improvement and is a great place for you to take your next leadership step.

You will be joining a staff team that does what it takes to prepare children for their next stages. Values are at the front and centre at Halsnead and, alongside a strong curriculum and an embedded teaching approach, underpin our work. We have a school culture that is nurturing and inclusive. Integrity is at the heart of what we do, and relationships are crucial to school development and improvement.

We have developed our leadership structure to maximise support for leaders and to give them the time and resources to focus on the development of a strong teaching team. You will be working with an executive headteacher who leads across three trust primaries. You will also work with a close network of school leaders, including heads of school, executive heads, and leaders within the trust. We give you the support that you need to be successful and the opportunity to collaborate, drawn on others' expertise and share your own strengths. Continuing professional development is encouraged and we offer both internal and external provider opportunities to learn and develop research informed practice.

We are looking for someone who knows what excellence looks like in primary school education and who can lead, coach and support others to deliver strong teaching and learning. Someone open, collaborative, and reflective. You will bring significant knowledge and experience, and a proven track record of positive impact. You will have experience of raising standards in teaching and learning and understand the importance of building school culture where all members of the school community can thrive. You will be resilient and tenacious about school improvement.

If you are excited by this role and believe you have the values, vision, and expertise to lead our school to sustainable excellence, then we would love to hear from you. We welcome the opportunity to meet potential applicants. As such, we encourage you to visit school and meet the executive headteacher, staff and children so that you are well informed before application.

Candidates are encouraged to have a tour of the school and meet with the executive headteacher. Please email the executive headteacher sgreer@theheathfamily.org.uk for an appointment to view the school or for a conversation about the role.

Applications forms are available to download from the school website and completed application forms and supporting letters should be emailed to recruitment@theheathfamily.org.uk.
